

BHARATH KUMAR REDDY MUKTHAPURAM

Andhra Pradesh, India | +91-9398452912 | mukthapurambharathkumarreddy@gmail.com

PROFESSIONAL SUMMARY

Motivated MCA postgraduate with internship experience in enterprise software development and hands-on expertise in building responsive web applications using **React.js, JavaScript, HTML5, CSS3, Python, Express.js, PostgreSQL, SQL, Git, and Vercel**. Experienced in REST API integration, responsive UI development, and deploying production-ready applications through GitHub and Vercel. Passionate about modern full-stack development and eager to contribute as an Associate System Engineer.

TECHNICAL SKILLS

- **Frontend:** React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap
- **Backend:** Node.js, Express.js, REST APIs
- **Database:** PostgreSQL, MS SQL Server, SQL
- **Programming:** Java, python, JavaScript, C#
- **Python:** Python programming, data analysis fundamentals, scripting, data handling
- **Tools:** Git, GitHub, GitHub Actions, Vercel, VS Code, Postman, Eclipse, Visual Studio, Wireshark, Kali Linux, Nmap
- **Core Concepts:** OOP, SDLC, API Integration, Database Management

PROFESSIONAL EXPERIENCE

Junior Software Engineer Intern – Computer Generated Solutions (CGS)

April 2023 – September 2023

Hyderabad, India

- Worked in an enterprise software development environment following SDLC practices and agile workflows.
- Contributed to frontend application development using JavaScript, HTML, CSS, and React based UI concepts.
- Assisted in integrating application modules with backend services and MS SQL Server databases.
- Worked with REST APIs, SQL queries, stored procedures, and functions for data handling.
- Collaborated with senior developers to debug issues and implement feature enhancements.
- Participated in testing activities, code reviews, and enterprise application workflows.

PROJECTS

Brain Tumor Analysis and Classification Using Image Processing Algorithms

- Developed a medical image classification system using image processing techniques.
- Classified CT scan images into normal and tumor categories.

Tech: MATLAB, python, Image Processing.

ZenMade | React Business Website

GitHub: github.com/bharath626272/zenmade | Live:

<https://zenmade.vercel.app/>

- Developed a modern responsive website using React.js.
- Built reusable components and optimized responsive layouts.
- Deployed using GitHub and Vercel.

Tech: React.js • JavaScript • HTML • CSS • Vercel • Render

Zenex | Responsive React Website

GitHub: github.com/mukthapurambharath54-png/client-website | Live:

<https://client-website-eee-tau.vercel.app/>

- Developed a production-ready React website for a client.
- Implemented responsive UI and reusable components.
- Managed deployment with GitHub and Vercel.

Tech: React.js • JavaScript • HTML • CSS • Vercel • Render

EDUCATION

Master of Computer Applications (MCA) – Atria Institute of Technology, Bangalore	January 2024 – February 2026 CGPA: 8.0
Bachelor of Science (Renewable Energy & Computer Science) – Jain University, Bangalore	June 2019 – January 2023 CGPA: 7.4
Intermediate (10+2) – Sri Chaitanya Junior College, Tirupati	March 2016 – April 2018 88.1%
SSC – Harish Residential School, Anantapur	Academic Year 2015 – 2016 CGPA: 9.5

ACHIEVEMENTS & ACTIVITIES

- Organized annual day and technical events in college.
- Participated in sports and essay competitions.
- Continuously learning frontend and full-stack web development technologies.

STRENGTHS

- Analytical and problem-solving abilities
- Quick learner with adaptability to new technologies
- Effective communication and collaboration skills
- Team-oriented mindset and ownership mentality
